School ERP · Parent, Teacher & Management apps

One system. Every role. Less paperwork.

My Schoolguru connects the office, classroom, staff and parents on one login and one database. Attendance, fees and marks update live, and every report is one click away.

59 modules one database

Parent, Teacher & Management apps

340+ ready reports

ABOUT MY SCHOOLGURU

One platform for the whole school

My Schoolguru replaces registers, spreadsheets and scattered apps with one connected system: a web ERP for the office and mobile apps for parents, teachers and management, all working on the same live data.

Modules	Screens	Ready reports	Workspaces	Mobile apps

What My Schoolguru does

Automates daily work
Biometric and RFID attendance, fee receipts, reminders and registers update on their own.

Connects everyone
Office, teachers, parents and management see the same information on web and mobile.

Shows everything live
Dashboards for every department and 340+ reports in Excel or branded PDF.

Who it helps

Office & admin
- Receipts & certificates in seconds
- One-click reports
- No double entry

Teachers
- Marks & homework on the phone
- Less register work
- Own dashboard

Parents
- Instant attendance alerts
- Pay fees online
- Homework & circulars

Management
- Live picture of the school
- Fee position any time
- Pending work flagged

Why schools choose My Schoolguru

Less manual work
Enter data once; registers, receipts and reports follow.

Live, not month-end
Attendance, fees and marks are current every minute.

You control access
Each role sees only the screens you allow.

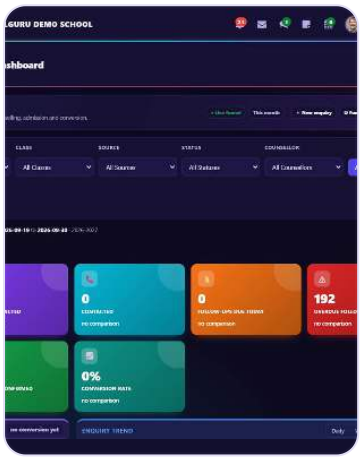

Local support
Training and help from our Chennai, Puducherry and Cuddalore team.

GETTING STARTED

Let's set up your school

A clear path from set-up to go-live, with training and support all the way.

1. **Set-up** — School details, classes, fee heads and roles
2. **Data** — Students, staff and opening balances loaded
3. **Training** — Hands-on sessions for office, teachers and admins
4. **Go live** — Apps for parents and staff, machines connected
5. **Support** — Help desk, updates and new features

Safe, secure & in your control

Role-based menus
Each role sees only the screens you tick.

School code + PIN
Staff sign in with a personal PIN, set after OTP.

One database, kept whole
Every record stays when staff change.
